California Code of Regulations

TITLE 22. SOCIAL SECURITY

DIVISION 9. PRE-HOSPITAL EMERGENCY MEDICAL SERVICES

CHAPTER 4. EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC

**Article 1. Definitions**

**100135. Approved Testing Agency.**

"Approved Testing Agency" means an agency approved by the EMS Authority to administer the licensure examination.

NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.185, Health and Safety Code. Reference: Sections 1797.172 and 1797.185, Health and Safety Code.

**100136. Emergency Medical Services System Evaluation and Continuous Quality Improvement Program.**

**"Emergency Medical Services System Evaluation and Continuous Quality Improvement Program" or "EQIP" "CQI" means methods of evaluation that are composed of structure, process, and outcome evaluations which focus on improvement efforts to identify root causes of problems, intervene to reduce or eliminate these causes, and take steps to correct the process and recognize excellence in performance and delivery of care, pursuant to the provisions of Chapter 12 of this Division. This is a model program which will develop over time with**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**individual variances based on available resources. Such programs shall include**  
**indicators which address, but are not limited to, the following:**

**(1) Personnel**

**(2) Equipment and Supplies**

**(3) Documentation**

**(4) Clinical Care and Patient Outcome**

**(5) Skills Maintenance/Competency**

**(6) Transportation/Facilities**

**(7) Public Education and Prevention**

**(8) Risk Management**

Note: Authority cited: Sections 1797.107, 1797.172, 1797.185, Health and Safety  
Code. Reference: Sections 1797.172 and 1797.204 Health and Safety Code.

**100137. Paramedic Training Program Approving Authority.**

"Paramedic training program approving authority" means an agency or person  
authorized by this Chapter to approve an Emergency Medical Technician-Paramedic  
training program, as follows:

(a) The approving authority for an Emergency Medical Technician-Paramedic training  
program conducted by a qualified statewide public safety agency shall be the director of  
the EMS Authority.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(b) The approving authority for any other Emergency Medical Technician-Paramedic training program not included in subsection (a) shall be the local EMS agency which has jurisdiction in the area in which the training program is headquartered.

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

Reference: Sections 1797.172, 1797.200 and 1797.208, Health and Safety Code.

**100138. Paramedic Licensing Authority.**

"Paramedic Licensing Authority" means the director of the EMS Authority.

NOTE: Authority cited: Sections 1797.107, 1797.172, and 1797.194, Health and Safety Code. Reference: Sections 1797.172, 1797.194, and 1797.210, Health and Safety Code.

**100139. Emergency Medical Technician-Paramedic (EMT-P).**

"Emergency Medical Technician-Paramedic" or "EMT-P" or "paramedic" or "mobile intensive care paramedic" means an individual who is educated and trained in all elements of prehospital advanced life support; whose scope of practice to provide advanced life support is in accordance with the standards prescribed by this Chapter, and who has a valid license issued pursuant to this Chapter.

NOTE: Authority cited: Sections 1797.107, 1797.172, and 1797.194, Health and Safety Code. Reference: Sections 1797.84, 1797.172, and 1797.194, Health and Safety Code.

**100140. Licensure Skills Examination.**

"Skills or practical examination" means ~~an examination approved by the EMS~~

**Authority the National Registry of Emergency Medical Technicians EMT-**

**Paramedic Practical Examination** to test the skills of an individual applying for

licensure as a paramedic. Examination results shall be valid for application purposes

for one (1) year from the date of examination.

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.175, 1797.185, and

1797.194, Health and Safety Code. Reference: Sections 1797.172, 1797.175,

1797.185, and 1797.194, Health and Safety Code.

**100141. Licensure Written Examination.**

"Licensure Written Examination" means ~~a written examination approved by the EMS~~

**Authority the National Registry of Emergency Medical Technicians EMT-**

**Paramedic Written Examination** to test an individual applying for licensure as a

paramedic. Examination results shall be valid for application purposes for one (1) year

from date of examination.

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.175, 1797.185, and

1797.194, Health and Safety Code. Reference: Sections 1797.63, 1797.172,

1797.175, 1797.185, 1797.194, and 1797.210, Health and Safety Code.

**100142. Local Accreditation.**

"Local Accreditation" or "accreditation" or "accreditation to practice" means authorization

by the local EMS agency to practice as a paramedic within that jurisdiction. Such

authorization indicates that the paramedic has completed the requirements of Section 100166 5 of this Chapter.

NOTE: Authority cited: Sections 1797.7, 1797.107, 1797.172, and 1797.185, Health and Safety Code. Reference: Sections 1797.172, 1797.178, 1797.185, 1797.194, and 1797.210, Health and Safety Code.

**100143. State Paramedic Application.**

"State Paramedic Application" or "state application" means an application form provided by the EMS Authority to be completed by an individual applying for a license or renewal of license ~~or applying for a duplicate license~~, as identified in Section ~~100163~~

**100162.**

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.185, and 1797.194, Health and Safety Code. Reference: Sections 1797.63, 1797.172, 1797.185, and 1797.194, Health and Safety Code.

**Article 2. General Provisions**

**100144. Application of Chapter.**

(a) Any local EMS agency that authorizes a paramedic training program or an advanced life-support service that provides services utilizing paramedic personnel as part of an organized EMS system, shall be responsible for approving paramedic training programs, paramedic service providers, paramedic base hospitals, and for developing and enforcing standards, regulations, policies and procedures in accordance with this

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

chapter to provide an EMS system evaluation and continuous quality improvement  
program, appropriate medical control, and coordination of paramedic personnel and  
training program(s) within an EMS system.

(b) No person or organization shall offer a paramedic training program, or hold  
themselves out as offering a paramedic training program, or hold themselves out as  
providing advanced life support services utilizing paramedics for the delivery of  
emergency medical care unless that person or organization is authorized by the local  
EMS agency.

(c) A paramedic who is not licensed in California may temporarily perform his/her scope  
of practice in California on a mutual aid response, on routine patient transports  
from out of state into California, or during a special event, when approved by the  
medical director of the local EMS agency, if the following conditions are met:

(1) The paramedic is licensed or certified in another state/country or under the  
jurisdiction of the federal government.

(2) The paramedic restricts his/her scope of practice to that for which s/he is licensed or  
certified.

(3) Medical control as specified in ~~s~~Section 1798 of the Health and Safety Code is  
maintained in accordance with policies and procedures established by the medical  
director of the local EMS agency.

NOTE: Authority cited: Sections 1797.107, 1797.172, and 1797.195, Health and Safety Code. Reference: Sections 1797.172, 1797.178, 1797.185, 1797.195, 1797.200, 1797.204, 1797.206, 1797.208, 1797.218, 1797.220, 1798 and 1798.100, Health and Safety Code.

**100145. Scope of Practice of Paramedic.**

(a) A paramedic may perform any activity identified in the scope of practice of an EMT-I in ~~e~~ Chapter 2 of this ~~d~~ Division, or any activity identified in the scope of practice of an EMT-II in ~~e~~ Chapter 3 of this ~~d~~ Division.

(b) A paramedic shall be affiliated with an approved paramedic service provider in order to perform the scope of practice specified in this Chapter.

(c) A paramedic student or a licensed paramedic, as part of an organized EMS system, while caring for patients in a hospital as part of his/her training or continuing education under the direct supervision of a physician, registered nurse, or physician assistant, or while at the scene of a medical emergency or during transport, or during interfacility transfer, or while working in a small and rural hospital pursuant to ~~s~~ Section 1797.195 of the Health and Safety Code, ~~or~~ may perform the following procedures or administer the following medications when such are approved by the medical director of the local EMS agency and are included in the written policies and procedures of the local EMS agency.

**(1) Basic Scope of Practice:**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

- 1 (A) Perform defibrillation and synchronized cardioversion.
- 2 (B) Visualize the airway by use of the laryngoscope and remove foreign body(-ies) with  
3 forceps.
- 4 (C) Perform pulmonary ventilation by use of lower airway multi-lumen adjuncts, the  
5 esophageal airway, **stomal intubation**, and adult oral endotracheal intubation.
- 6 (D) Institute intravenous (IV) catheters, saline locks, needles, or other cannulae (IV  
7 lines), in peripheral veins and monitor and administer medications through pre-existing  
8 vascular access.
- 9 (E) Administer intravenous glucose solutions or isotonic balanced salt solutions,  
10 including Ringer's lactate solution.
- 11 (F) Obtain venous blood samples.
- 12 (G) Use glucose measuring device.
- 13 (H) **Perform Utilize** Valsalva maneuver.
- 14 (I) Perform needle cricothyroidotomy.
- 15 (J) Perform needle thoracostomy.
- 16 (K) Monitor thoracostomy tubes.
- 17 (L) Monitor and adjust IV solutions containing potassium, equal to or less than 20  
18 mEq/L.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(M) Administer approved medications by the following routes: intravenous,  
intramuscular, subcutaneous, inhalation, transcutaneous, rectal, sublingual,  
endotracheal, oral or topical.

(N) Administer, using prepackaged products when available, the following medications:

1. 25% and 50% dextrose;
2. activated charcoal;
3. adenosine;
4. aerosolized or nebulized beta-2 specific bronchodilators;
5. aspirin;
6. atropine sulfate;
7. ~~bretylum tosylate~~; pralidoxime chloride;
8. calcium chloride;
9. diazepam;
10. diphenhydramine hydrochloride;
11. dopamine hydrochloride;
12. epinephrine;
13. furosemide;
14. glucagon;
15. midazolam;
16. lidocaine hydrochloride;

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

17. morphine sulfate;

18. naloxone hydrochloride;

19. nitroglycerin preparations, except intravenous, unless permitted under (c)(2)(A) of  
this section;

20. sodium bicarbonate; and .

**21. syrup of ipecac.**

**(2) Local Optional Scope of Practice:**

(A) Perform or monitor other procedure(s) or administer any other medication(s)  
determined to be appropriate for paramedic use, in the professional judgement of the  
medical director of the local EMS agency, that have been approved by the Director of  
the Emergency Medical Services Authority when the paramedic has been trained and  
tested to demonstrate competence in performing the additional procedures and  
administering the additional medications.

(B) The medical director of the local EMS agency shall submit Form #EMSA-0391,  
**dated 1/94 Revised 03/18/03** to, and obtain approval from, the Director of the EMS  
Authority in accordance with ~~s~~ Section 1797.172 (b) of the Health and Safety Code for  
any procedures or medications proposed for use pursuant to this subsection prior to  
implementation of these medication(s) and or procedure(s).

(C) The EMS Authority shall, within fourteen ~~(14)~~ days of receiving the request, notify  
the medical director of the local EMS agency submitting request Form #EMSA-0391

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

that the request form has been received, and shall specify what information, if any, is missing.

(D) The Director of the EMS Authority shall approve or disapprove the request for additional procedures and/or medications and notify the local EMS agency medical director of the decision within ninety ~~(90)~~ days of receipt of the completed request.

(E) The Director of the EMS Authority, in consultation with a committee of the local emergency medical services medical directors named by the Emergency Medical Directors Association of California, may suspend or revoke approval of any previously approved additional procedure(s) or medication(s) for cause.

(d) The medical director of the local EMS agency may develop policies and procedures or establish standing orders allowing the paramedic to initiate any paramedic activity in the approved scope of practice without voice contact for medical direction from a physician or mobile intensive care nurse, provided that ~~CQI~~ an EMS System Evaluation and Quality Improvement Program measures, as specified in Chapter 12 of this Division ~~Section 100172~~ 100167, are is in place.

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.185, 1797.192, 1797.195, and 1797.214, Health and Safety Code. Reference: Sections 1797.172 and 1797.185, Health and Safety Code.

**100146. Paramedic Trial Studies.**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 A paramedic may perform any prehospital emergency medical care treatment  
2 procedure(s) or administer any medication(s) on a trial basis when approved by the  
3 medical director of the local EMS agency and the Director of the Emergency Medical  
4 Services Authority.

5 (a) The medical director of the local EMS agency shall review a trial study plan, which  
6 at a minimum shall include the following:

7 (1) A description of the procedure(s) or medication(s) proposed, the medical conditions  
8 for which they can be utilized, and the patient population that will benefit.

9 (2) A compendium of relevant studies and material from the medical literature.

10 (3) A description of the proposed study design including the scope of the study and  
11 method of evaluating the effectiveness of the procedure(s) or medication(s), and  
12 expected outcome.

13 (4) Recommended policies and procedures to be instituted by the local EMS agency  
14 regarding the use and medical control of the procedure(s) or medication(s) used in the  
15 study.

16 (5) A description of the training and competency testing required to implement the  
17 study.

18 (b) The medical director of the local EMS agency shall appoint a local medical advisory  
19 committee to assist with the evaluation and approval of trial studies. The membership  
20 of the committee shall be determined by the medical director of the local EMS agency,

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 but shall include individuals with knowledge and experience in research and the effect of  
2 the proposed study on the EMS system.

3 (c) The medical director of the local EMS agency shall submit the proposed study and  
4 send a copy of the proposed trial study plan at least forty-five ~~(45)~~ days prior to the  
5 proposed initiation of the study to the Director of the EMS Authority for approval in  
6 accordance with the provisions of section 1797.172 of the Health & Safety Code. The  
7 EMS Authority shall inform the Commission on EMS of studies being initiated.

8 (d) The EMS Authority shall notify, within fourteen ~~(14)~~ days of receiving the request,  
9 the medical director of the local EMS agency submitting its request for approval of a trial  
10 study that the request has been received, and shall specify what information, if any, is  
11 missing.

12 (e) The Director of the EMS Authority shall render the decision to approve or  
13 disapprove the trial study within forty-five ~~(45)~~ days of receipt of all materials specified in  
14 subsections (a) and (b) of this section.

15 (f) The medical director of the local EMS agency within eighteen ~~(18)~~ months of  
16 initiation of the procedure(s) or medication(s), shall submit a written report to the  
17 Commission on EMS which includes at a minimum the progress of the study, number of  
18 patients studied, beneficial effects, adverse reactions or complications, appropriate  
19 statistical evaluation, and general conclusion.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(g) The Commission on EMS shall review the above report within two ~~(2)~~ meetings and advise the EMS Authority to do one of the following:

(1) Recommend termination of the study if there are adverse effects or no benefit from the study is shown.

(2) Recommend continuation of the study for a maximum of eighteen ~~(18)~~ additional months if potential but inconclusive benefit is shown.

(3) Recommend the procedure or medication be added to the paramedic basic or local optional scope of practice.

(h) If option (g)(2) is selected, the Commission on EMS may advise continuation of the study as structured or alteration of the study to increase the validity of the results.

(i) At the end of the additional eighteen ~~(18)~~ month period, a final report shall be submitted to the Commission on EMS with the same format as described in (f) above.

(j) The Commission on EMS shall review the final report and advise the EMS Authority to do one of the following:

(1) Recommend termination or further extension of the study.

(2) Recommend the procedure or medication be added to the paramedic basic or local optional scope of practice.

(k) The EMS Authority may require the trial study(ies) to cease after thirty-six ~~(36)~~ months.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

Reference: Sections 1797.3, 1797.172 and 1797.221, Health and Safety Code.

**100147. Responsibility of the Local EMS Agency.**

The local EMS agency that authorizes an advanced life support program shall establish policies and procedures approved by the medical director of the local EMS agency, that shall include:

(a) Approval, denial, revocation of approval, suspension, and monitoring of training programs, base hospitals **or alternative base stations**, and paramedic service providers.

(b) Assurance of compliance with provisions of this Chapter by the paramedic program and the EMS system.

(c) Submission to the State EMS Authority, as changes occur, of the following information on the approved paramedic training programs:

(1) Name of program director and/or program contact;

(2) Address, phone number, and facsimile number;

(3) Date of approval, **date classes will initially begin**, and date of expiration.

(d) Development or approval, implementation and enforcement of policies for medical control, medical accountability, and **CQI** **an** **EQIP** of the paramedic services, including:

(1) Treatment and triage protocols.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(2) Patient care record and reporting requirements.

(3) Medical care audit system.

(4) Role and responsibility of the base hospital and paramedic service provider.

(e) System data collection and evaluation.

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

Reference: Sections 1797.172, 1797.178, 1797.200, 1797.202, 1797.204, 1797.208,  
1797.220, 1798 and 1798.100, Health and Safety Code.

### **Article 3. Program Requirements for Paramedic Training Programs**

#### **100148. Approved Training Programs.**

(a) The purpose of a paramedic training program shall be to prepare individuals to  
render prehospital advanced life support within an organized EMS system.

(b) By January 1, 2004, all paramedic training programs approved by a paramedic  
training program approving authority prior to January 1, 2000 shall be accredited and  
maintain current accreditation by the ~~Joint Review Committee on Educational~~

~~Programs for the EMT-Paramedic (JRC-EMT-P).~~ ~~Committee on Accreditation of~~

~~Educational Programs for the Emergency Medical Services Professions~~

~~(CoAEMSP),~~ Commission on Accreditation of Allied Health Education Programs

~~(CAAHEP),~~ upon the recommendation of the Committee on Accreditation of

Educational Programs for the Emergency Medical Services Professions

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**(CoAEMSP), in order to continue to operate as an approved paramedic training program.**

(c) All paramedic training programs approved by a paramedic training program approving authority January 1, 2000 or thereafter shall ~~apply for~~ **submit their application, fee, and self study to JRCEMT-P CoAEMSP for** accreditation ~~after one-year~~ **within 12 months** of ~~operation~~ **the start up of classes** and receive and maintain **CAAHEP CoAEMSP JRCEMT-P** accreditation ~~no later than after three (3) two~~ years from **the date of** application ~~to for JRCEMT-P CoAEMSP for~~ accreditation in order to continue to operate as an approved paramedic training program.

**(d) Paramedic training programs approved according to the provisions of this Chapter shall provide the following information to all their paramedic training program applicants prior to the applicants enrollment in the paramedic training program:**

**(1) The date by which the paramedic training program must submit their application and self study for initial accreditation or their application for accreditation renewal to CoAEMSP.**

**(2) The date by which the paramedic training program must be initially accredited or have their accreditation renewed by CAAHEP CoAEMSP.**

**(3) Failure of the paramedic training program to file submit their application and self study or their accreditation renewal to CoAEMSP by the date specified will**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

result in closure of the paramedic training program by their respective paramedic training program approving authority.

(4) Failure of the paramedic training program to obtain or maintain CoAEMSP CAAHEP accreditation by the required date will result in closure of the paramedic training program by their respective paramedic training program approving authority.

(5) Students graduating from a paramedic training program that fails to apply for accreditation with, receive accreditation from, or maintain accreditation with, CAAHEP CoAEMSP by the dates required will not be eligible for state licensure as a paramedic.

~~(d)~~ (e) Paramedic training programs shall submit to their respective paramedic training program approving authority all documents submitted to, and received from, CoAEMSP and CAAHEP for accreditation, including but not limited to, proof of the initial application and self study for JRCEMT-P accreditation, and the documents required for maintaining accreditation. annually thereafter submit documentation specifying their JRCEMT-P accreditation status.

(f) Paramedic training programs shall submit to the EMS Authority a copy of the date their initial application was submitted to CoAEMSP and copies of documentation from CoAEMSP and/or CAAHEP verifying accreditation.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 **(g) Paramedic training program approving authorities shall revoke approval, in**  
2 **accordance with Section 100156 of this Chapter, of any paramedic training**  
3 **program which fails to comply with subsections (b) through (e) of this Section.**

4 **(h) Approved paramedic training programs shall ~~agree to~~ participate in the**  
5 **emergency medical services system ~~EQIP~~ of their respective paramedic training**  
6 **program approving authority. In addition, an approved paramedic training**  
7 **program, which is conducting a paramedic training program outside the**  
8 **jurisdiction of their approving authority, shall also agree to participate in the ~~EQIP~~**  
9 **of the local EMS agency which has jurisdiction where the paramedic training**  
10 **program is being conducted.**

11 **(e) (i)** Eligibility for program approval shall be limited to the following institutions:

12 (1) Accredited universities, colleges, including junior and community colleges, and  
13 private post-secondary schools as approved by the State of California, Department of  
14 Consumer Affairs, Bureau of Private Postsecondary and Vocational Education.

15 (2) Medical training units of a branch of the Armed Forces or Coast Guard of the United  
16 States.

17 (3) Licensed general acute care hospitals which meet the following criteria:

18 (A) Hold a special permit to operate a basic or comprehensive emergency medical  
19 service pursuant to the provisions of Division 5;

20 (B) provide continuing education to other health care professionals; and

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(C) are accredited by the Joint Commission on the Accreditation of Healthcare

Organizations **or the Healthcare Facilities Accreditation Program of the American  
Osteopathic Association.**

(4) Agencies of government.

NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.173, Health and Safety  
Code. Reference: Sections 1797.172, 1797.173, 1797.208 and 1797.213, Health and  
Safety Code.

**100149. Teaching Staff.**

(a) Each program shall have an approved program medical director who shall be a  
physician currently licensed in the State of California, who has two **(2)** years experience  
in prehospital care in the last five **(5)** years, and who is qualified by education or  
experience in methods of instruction. Duties of the program medical director shall  
include, but not be limited to:

(1) **Review and Approval of all course educational content of the program  
curriculum**, including training objectives for the clinical and field instruction, **to certify  
its ongoing appropriateness and medical accuracy.**

(2) **Review and Approval the quality of medical instruction, supervision, and  
evaluation of the students in all areas of the content of all written and skills  
examinations administered by the training** program.

(3) Approval of provision for hospital clinical and field internship experiences.

(4) Approval of principal instructor(s).

(b) Each program shall have an approved course director who shall be licensed in California as a physician, a registered nurse who has a baccalaureate degree or a paramedic who has a baccalaureate degree, or shall be an individual who holds a baccalaureate degree in a related health field or in education. The course director shall be qualified by education and experience in methods, materials, and evaluation of instruction, and shall have a minimum of one year experience in an administrative or management level position and have a minimum of three ~~(3)~~ years academic or clinical experience in prehospital care education within the last five ~~(5)~~ years. Duties of the course director shall include, but not be limited to:

(1) Administration, **organization and supervision** of the **training educational** program.

(2) In coordination with the program medical director, approve the principal instructor, teaching assistants, field and hospital clinical preceptors, clinical and internship assignments, and coordinate the development of curriculum, including instructional objectives, and approve all methods of evaluation.

(3) Ensure training program compliance with this chapter and other related laws.

(4) Sign all course completion records.

**(5) Ensure that the preceptor(s) are trained according to the curriculum in subsection (e)(4).**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(c) Each program shall have a principal instructor(s), who may also be the program medical director or course director if the qualifications in subsections (a) and (b) are met, who shall:

(1) Be a physician, registered nurse, physician assistant, or paramedic, currently **certified or** licensed in the State of California.

(2) Have two ~~(2)~~ years experience in advanced life support prehospital care ~~within the last five (5) years.~~ **and be knowledgeable in the course content of the U.S.**

**Department of Transportation Emergency Medical Technician-Paramedic National Standard Curriculum HS 808 862 March 1999; and**

(3) Have six ~~(6)~~ years experience in an allied health field or related technology and an associate degree or, two ~~(2)~~ years experience in an allied health field or related technology and a baccalaureate degree.

(4) Be responsible for areas including, but not limited to ~~a~~, curriculum development, course coordination, and instruction.

~~(5) Teach no less than fifty percent of the didactic classroom hours of the topics assigned.~~

~~(6)~~ **(5) Be qualified by education and experience in methods, materials, and evaluation of instruction, which shall be documented by one of the following: at least sixty hours of instruction in teaching methodology. Following, but not**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 limited to, are examples of courses that meet the required instruction in teaching  
2 methodology:

3 a. California State Fire Marshal (CSFM) "Fire Instructor 1A and 1B", or the

4 b. National Fire Academy (NFA) "Fire Service Instructional Methodology" course,  
5 and or equivalent; or

6 b. Sixty hours in techniques of teaching courses or four semester units of upper  
7 division credit in education materials, methods, and curriculum development or  
8 equivalent from a college or university.

9 c. A course that meets the U. S. Department of Transportation/National Highway  
10 Traffic Safety Administration 2002 Guidelines for Educating EMS Instructors,  
11 such as the National Association of EMS Educators' EMS Educator Course.

12 (d) Each training program may have a teaching assistant(s) who shall be an  
13 individual(s) qualified by training and experience to assist with teaching of the course. A  
14 teaching assistant shall be supervised by a principal instructor, the course director  
15 and/or the program medical director.

16 (e) Each program shall have a field preceptor(s) who shall:

17 (1) Be a ~~physician, registered nurse, physician assistant, or~~ certified or licensed  
18 paramedic, currently licensed in the State of California; and

19 (2) ~~Have two (2) years field experience in prehospital care within the last five (5)~~  
20 years. Be working in the field as a certified or licensed paramedic for the last two

**years; and**

(3) Be under the supervision of a principal instructor, the course director and/or the program medical director.

(4) Have completed field preceptor training approved by the local EMS agency and/or comply with the field preceptor guidelines approved by the local EMS agency. Training shall include a curriculum that will result in the preceptor being competent to evaluate the paramedic student during the internship phase of the training program, **and how to**

**do the following in cooperation with the paramedic training program:**

**(A) Conduct a daily field evaluation of students.**

**(B) Conduct cumulative and final field evaluations of all students.**

**(C) Rate students for evaluation using written field criteria.**

**(D) Identify advanced life support contacts and requirements for graduation.**

**(E) Identify the importance of documenting student performance.**

**(F) Review field preceptor requirements contained in this Chapter.**

**(G) Assess student behaviors using cognitive, psychomotor, and affective domains.**

**(H) Create a positive and supportive learning environment.**

**(I) Measure students against the standard of entry level paramedics.**

**(J) Identify appropriate student progress.**

**(K) Counsel the student who is not progressing.**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**(L) Identify training program support services available to the student and the preceptor.**

**(M) Provide guidance and applicable procedures for ~~D~~dealing with an injured student or student who has had an exposure to illness, communicable disease or hazardous material.**

(f) Each program shall have a hospital clinical preceptor(s) who shall:

(1) Be a **certified** physician, **licensed** registered nurse or **licensed** physician assistant **currently licensed in the State of California.**

(2) Have ~~two (2) years experience in emergency care within the last five (5) years.~~  
**worked in emergency medical care for the last two years.**

(3) Be under the supervision of a principal instructor, the course director, and/or the program medical director.

(4) Receive instruction in evaluating paramedic students in the clinical setting. Means of instruction may include, but need not be limited to, educational brochures, orientation, training programs, or training videos, **and shall include how to do the following in cooperation with the paramedic training program:**

**(A) Evaluate a student's ability to safely administer medications and perform assessments.**

**(B) Document a student's performance.**

**(C) Review clinical preceptor requirements contained in this Chapter.**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**(D) Assess student behaviors using cognitive, psychomotor, and affective domains.**

**(E) Create a positive and supportive learning environment.**

**(F) Identify appropriate student progress.**

**(G) Counsel the student who is not progressing.**

**(H) Provide guidance and applicable procedures for Dealing with an injured student or student who has had an exposure to illness, communicable disease or hazardous material.**

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

Reference: Sections 1797.172 and 1797.208, Health and Safety Code.

**100150. Didactic and Skills Laboratory.**

An approved paramedic training program shall assure that no more than six ~~(6)~~ students are assigned to one ~~(1)~~ instructor/teaching assistant during skills practice/laboratory.

NOTE: Authority cited: 1797.107, 1797.172 and 1797.173, Health and Safety Code.

Reference: Sections 1797.172, 1797.173 and 1797.208, Health and Safety Code.

**100151. Hospital Clinical Education and Training for Paramedic.**

(a) An approved paramedic training program shall provide for and monitor a supervised clinical experience at a hospital(s) that is licensed as a general acute care hospital and holds a permit to operate a basic or comprehensive emergency medical service. The clinical setting may be expanded to include areas commensurate with the skills

1 experience needed. Such settings may include surgicenters, clinics, jails or any other  
2 areas deemed appropriate by the local EMS agency. The maximum number of hours in  
3 the expanded clinical setting shall not exceed forty ~~(40)~~ hours of the total clinical hours  
4 specified in Section ~~100159~~ **100158** (a)(2).

5 **(b) An approved paramedic training program shall not enroll any more students**  
6 **than the training program can commit to providing a clinical internship to begin**  
7 **no later than thirty days after a student's completion of the didactic and skills**  
8 **instruction portion of the training program. The paramedic training program**  
9 **director and a student may mutually agree to a later date for the clinical**  
10 **internship to begin in the event of special circumstances (i.e.g., student or**  
11 **preceptor illness or injury, student's military duty, etc.).**

12 ~~(b)~~ **(c)** Training programs in nonhospital institutions shall enter into a written  
13 agreement(s) with a licensed general acute care hospital(s) that holds a permit to  
14 operate a basic or comprehensive emergency medical service for the purpose of  
15 providing this supervised clinical experience.

16 ~~(c)~~ **(d)** Paramedic clinical training hospital(s) and other expanded settings shall provide  
17 clinical experience, supervised by a clinical preceptor(s). The clinical preceptor may  
18 assign the student to another health professional for selected clinical experience. No  
19 more than two ~~(2)~~ students shall be assigned to one ~~(1)~~ preceptor or health professional  
20 during the supervised clinical experience at any one time. Clinical experience shall be

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

monitored by the training program staff and shall include direct patient care responsibilities, which may include the administration of any additional medications, approved by the local EMS agency medical director and the director of the EMS Authority, to result in competency. Clinical assignments shall include, but are not to be limited to, emergency, cardiac, surgical, obstetric, and pediatric patients.

NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.173, Health and Safety Code. Reference: Sections 1797.172, 1797.173 and 1797.208, Health and Safety Code.

**100152. Field Internship.**

(a) A field internship shall provide emergency medical care experience supervised at all times by an authorized field preceptor to result in the paramedic student being competent to provide the medical procedures, techniques, and medications specified in s **Section 100145**, in the prehospital emergency setting within an organized EMS system.

(b) An approved paramedic training program shall enter into a written agreement with a paramedic service provider(s) to provide for field internship, as well as for a field preceptor(s) to directly supervise, instruct, and evaluate the students. The assignment of a student to a field preceptor shall be a collaborative effort between the training program and the provider agency. If the paramedic service provider is located outside the jurisdiction of the paramedic training program approving authority,

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

then the training program shall **do the following:**

**(1) ensure that the student has been oriented to the local EMS system, including local policies and procedures and treatment protocols, in which the field internship will occur,**

**(2) contact the local EMS agency where the paramedic service provider is located and report to that local EMS agency the name of the paramedic intern in their jurisdiction, the name of the EMS provider, and the name of the preceptor. The paramedic intern shall be under the medical control of the medical director of the local EMS agency in which the internship occurs.**

**(c) The training program shall be responsible for ensuring that the field preceptor has the experience and training as required in Section 100149(e)(1)-(4).**

**(d) The paramedic training program shall not enroll any more students than the training program can commit to providing a field internship to begin no later than ninety days after a student's completion of the hospital clinical education and training portion of the training program. The training program director and a student may mutually agree to a later date for the field internship to begin in the event of special circumstances (i.e., student or preceptor illness or injury, student's military duty, etc.).**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**(e) For at least half of the ALS patient contacts specified in section 100158(b), the paramedic student shall be required to provide the full continuum of care of the patient beginning with the initial contact with the patient upon arrival at the scene through release of the patient to a receiving hospital or medical care facility.**

**(f) All interns shall be continuously monitored by the training program, through the assigned field preceptor, regardless of the location of the internship, as described in written agreements between the training program and the internship provider. The training program shall document a student's progress, based on the assigned field preceptor's input, and identify specific weaknesses of the student, if any, and/or problems encountered by, or with, the student. Documentation of the student's progress, including any identified weaknesses or problems, shall be provided to the student at least twice during the student's field internship.**

**(g) No more than one paramedic emergency medical technician trainee, of any level, shall be assigned to a response vehicle at any one time during the paramedic student's field internship.**

NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.173, Health and Safety Code. Reference: Sections 1797.172, 1797.173 and 1797.208, Health and Safety Code.

**100153. Procedure for Paramedic Training Program Approval.**

(a) Eligible training institutions shall submit a written request for program approval to

the paramedic training program approving authority. A paramedic training program approving authority may deem a paramedic training program approved that has been accredited by the **JRCENT-P CoAEMSP CAAHEP** upon submission of proof of such accreditation, without requiring the paramedic training program to submit for review the information required in subsections (b) and (c) of this section.

(b) The paramedic training program approving authority shall receive and review the following prior to program approval:

(1) A statement verifying that the course content is equivalent to the U. S. Department of Transportation (DOT) Emergency Medical Technician-Paramedic National Standard Curriculum HS ~~900-089~~ **808 862 March 1999**.

(2) **An outline of course outline objectives. if different from the outline specified in Section 100160 of this Chapter.**

(3) Performance objectives for each skill.

(4) The name and qualifications of the training program course director, program medical director, and principal instructors.

(5) Provisions for supervised hospital clinical training including student evaluation criteria and standardized forms for evaluating paramedic students; and monitoring of preceptors by the training program.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(6) Provisions for supervised field internship including student evaluation criteria and standardized forms for evaluating paramedic students; and monitoring of preceptors by the training program.

(7) The location at which the courses are to be offered and their proposed dates.

**(8) Written agreements between the paramedic training program and a hospital(s) and other clinical setting(s), if applicable, for student placement for clinical education and training.**

**(9) Written contracts or agreements between the paramedic training program and a provider agency(ies) for student placement for field internship training.**

(c) The paramedic training program approving authority shall review the following prior to program approval:

(1) Samples of written and skills examinations administered by the training program for periodic testing.

(2) A final written examination administered by the training program.

(3) Evidence that the program provides adequate facilities, equipment, examination security, and student record keeping.

(d) The paramedic training program approving authority shall submit to the State EMS Authority an outline of program ~~contents~~ **objectives** and eligibility on each paramedic training program being proposed for approval in order to allow the EMS Authority to make the determination required by section 1797.173 of the Health and Safety Code.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 Upon request by the State EMS Authority, any or all materials submitted by the  
2 paramedic training program shall be submitted to the State EMS Authority.

3 NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

4 Reference: Sections 1797.172, 1797.173 and 1797.208, Health and Safety Code.

5 **100154. Paramedic Training Program Approval/Disapproval.**

6 (a) The paramedic training program approving authority shall, within **thirty fifteen (15)**  
7 working days of receiving a request for training program approval, notify the requesting  
8 training program that the request has been received, and shall specify what information,  
9 if any, is missing.

10 (b) Paramedic training program approval or disapproval shall be made in writing by the  
11 paramedic training program approving authority to the requesting training program after  
12 receipt of all required documentation. This time period shall not exceed three **(3)**  
13 months.

14 (c) The paramedic training program approving authority shall establish the effective  
15 date of program approval in writing upon satisfactory documentation of compliance with  
16 all program requirements.

17 (d) Paramedic training program approval shall be for four **(4)** years following the  
18 effective date of approval and may be renewed every four **(4)** years subject to the  
19 procedure for program approval specified in this chapter.

Public Comment Period 1-12-04 through 2-10-04

section 15376, Government Code.

**~~100155. Application of Regulations to Existing Paramedic Training Programs.~~**

~~(a) All paramedic training programs in operation prior to the April 13, 1999  
revisions to these regulations shall submit evidence of compliance with this  
Chapter to the appropriate paramedic training program approving authority within  
six (6) months after the effective date of the revised regulations.~~

~~(b) Pursuant to the timelines specified in Section 100148(b) and (c) of these  
regulations, all approved paramedic training programs shall submit, to their  
respective paramedic training program approving authority and to the EMS  
Authority, evidence of application for or accreditation from the Joint Review  
Committee for Educational Programs for EMT-Paramedic.~~

~~NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.~~

~~Reference: Section 1797.172, Health and Safety Code.~~

**~~100156~~ 100155. Program Review and Reporting.**

(a) All program materials specified in this Chapter shall be subject to periodic review by  
the ~~EMT-P~~ **paramedic training program** ~~A~~ **approving** ~~A~~ **authority** and may also be  
reviewed by the EMS Authority **upon request**.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(b) All programs shall be subject to periodic on-site evaluation by the **EMT-P paramedic**  
**A** approving **A** authority and may also be evaluated by the EMS Authority.

(c) Any person or agency conducting a training program shall notify the **EMT-P**  
**paramedic training program** **A** approving **A** authority in writing, in advance when  
possible, and in all cases within thirty **(30)** days of any change in course **content**  
**objectives**, hours of instruction, course director, program medical director, principal  
instructor, provisions for hospital clinical experience, or field internship.

**100157 100156. Denial or Withdrawal of Program Approval.**

**(a)** Noncompliance with any criterion required for program approval, use of any  
unqualified teaching personnel, or noncompliance with any other applicable provision of  
this Chapter may result in **denial, probation**, suspension or revocation of program  
approval by the **EMT-P paramedic** training program **A** approving **A** authority. **An**  
**approved EMT-P paramedic training program shall have no more than sixty (60)**  
**days from date of written notice to comply with this Chapter. Notification of**  
**noncompliance and action to place on probation, suspend or revoke shall be**  
**done as follows:**

**(1) A paramedic training program approving authority shall notify the approved**  
**paramedic training program course director in writing, by certified mail, of the**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

provisions of this Chapter with which the paramedic training program is not in compliance.

(2) Within ~~15~~ fifteen days of receipt of the notification of noncompliance, the approved paramedic training program shall submit in writing, by certified mail, to the paramedic training program approving authority one of the following:

(A) Evidence of compliance with the provisions of this Chapter, or

(B) A plan for meeting compliance with the provisions of this Chapter within ~~60~~ sixty days from the day of receipt of the notification of noncompliance.

(3) Within ~~15~~ fifteen days of receipt of the response from the approved paramedic training program, or within ~~30~~ thirty days from the mailing date of the noncompliance notification if no response is received from the approved paramedic training program, the paramedic training program approving authority shall notify the EMS Authority and the approved paramedic training program in writing, by certified mail, of the decision to accept the evidence of compliance, accept the plan for meeting compliance, place on probation, suspend or revoke the paramedic training program approval.

(4) If the paramedic training program approving authority decides to suspend or revoke the paramedic training program approval, the notification specified in subsection (a)(3) of this section shall include the beginning and ending dates of the probation or suspension and the terms and conditions for lifting of the

(a) The total training program shall consist of not less than ~~4032~~ ~~4162~~ **1090** hours.

These training hours shall be divided into:

(1) A minimum of ~~320~~ **450** hours of didactic instruction and skills laboratories;

(2) The hospital clinical training shall consist of no less than 160 hours and the field internship shall consist of no less than 480 hours.

(b) The student shall have a minimum of forty ~~(40)~~ advanced life support (ALS) patient contacts during the field internship as specified in Section 100152. An ALS patient contact shall be defined as the student performance of one or more ALS skills, except cardiac monitoring and basic cardiopulmonary resuscitation (CPR), on a patient.

(c) The minimum hours shall not include the following:

(1) Course material designed to teach or test exclusively EMT-I knowledge or skills including CPR.

(2) Examination for student eligibility.

(3) The teaching of any material not prescribed in section ~~400160~~ **100159** of this Chapter.

(4) Examination for paramedic licensure.

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

**~~100163~~ 100162 . Date and Filing of Applications.**

(a) The EMS Authority shall notify the applicant within thirty ~~(30)~~ days of receipt of the state application that the application was received and shall specify what information, if any, is missing. The types of applications which may be required to be submitted by the applicant are as follows:

(1) Application for Initial License **(California Graduate)**, Form **#L-01**, **dated 4/99**

**Revised 03/03.**

~~(3)~~ **(2)** Application for **Initial** License of Out-of- State Candidates who are registered with the National Registry of Emergency Medical Technicians, Form **#L-01A**, **dated 4/99**

**Revised 03/03.**

~~(2)~~ **(3)** Application for License Renewal, Form **#RL-01**, **dated 4/99** **Revised 03/03.**

**(4) Application for Lapsed License Renewal, Form #RL-01A, Revised 03/03.**

~~(4)~~ **(5)** Applicant fingerprint card, **BID-7 FD-258** dated **5/90 5/11/99** **or a Request for Live Scan Applicant Submission Form, BCII 8016 (Rev 04/01), submitted to the**

**California Department of Justice,** for a state summary criminal history provided by the Department of Justice in accordance with the provisions of section 11105 et seq. of the Penal Code.

~~(5) Application for Duplicate License, Form D-01, dated 12/93.~~

(b) Applications for renewal of license shall be **postmarked, hand delivered, or**

**otherwise** received by the EMS Authority at least thirty ~~(30)~~ calendar days prior to

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 expiration of current license. **Applications postmarked, hand delivered or otherwise**  
2 **received by the EMS Authority less than 30 days prior to the expiration date of the**  
3 **current license will not cause the license to lapse but will require the applicant to**  
4 **pay a \$50 late fee, as specified in Section 100172(b)(4) of this Chapter.**

5 (c) Eligible out-of-state applicants defined in section ~~100165~~ **100164**(b) and eligible  
6 applicants defined in section ~~100165~~ **100164**(c) of this Chapter who have applied to  
7 challenge the paramedic licensure process shall be notified by the EMS Authority within  
8 forty-five (~~45~~) working days of receiving the application. Notification shall advise the  
9 applicant that the application has been received, and shall specify what information, if  
10 any, is missing.

11 (d) An application shall be denied without prejudice when an applicant does not  
12 complete the application, furnish additional information or documents requested by the  
13 EMS Authority or fails to pay any required fees. An applicant shall be deemed to have  
14 abandoned an application if the applicant does not complete the requirements for  
15 licensure within one year from the date on which the application was filed. An  
16 application submitted subsequent to an abandoned application shall be treated as a  
17 new application.

18 (e) A complete state application is a signed application **submitted to the EMS**  
19 **Authority** that provides the requested information and is accompanied by the

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

appropriate documentation and application fee(s). All statements submitted by or on  
behalf of an applicant shall be made under penalty of perjury.

**~~100164.~~ 100163. Written and Skills Examination.**

(a) The written examination as defined in **s** Section 100141 shall, **at a minimum,** test  
the applicant's knowledge and competency in the subject areas comprising the basic  
scope of practice as specified in **s** Section 100145.

(b) The **skills practical** examination as defined in **s** Section 100140 shall, **at a**  
**minimum,** test the applicants' competency in the ability to perform those skills specified  
in **section ~~100145~~ the United States Department of Transportation Emergency**  
**Medical Technician-Paramedic National Standard Curriculum HS 808 862 March**  
**1999.**

(c) Candidates shall comply with the procedures for examination established by the  
EMS Authority **and the National Registry of Emergency Medical Technicians** and  
shall not violate or breach the security of the examination. Candidates found to have  
violated the security of the examination or examination process as specified in section  
1798.207 of the Health and Safety Code, shall be subject to the penalties specified  
therein.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

**(d) Students enrolled in a paramedic training program shall not be eligible to take the written and practical examinations specified in sSections 100140 and 100141 until they have successfully completed at least 240 hours of their field internship as verified by their respective paramedic training program course director. the didactic, clinical, and field training and have met all the provisions of the approved paramedic training program.**

NOTE: Authority cited: Sections 1797.7, 1797.107, 1797.172, 1797.174 and 1797.185, Health and Safety Code. Reference: Sections 1797.7, 1797.172, 1797.185, 1797.214 and 1798.207, Health and Safety Code.

## **Article 5. Licensure**

### **~~100165.~~ 100164. Licensure.**

(a) In order to be eligible for **initial paramedic** licensure an individual shall meet the following requirements.

(1) Have a paramedic **training program** course completion record **as specified in Section 100161 of this Chapter** or other documented proof of successful completion of an approved paramedic training program **within the last two years from the date of application to the EMS Authority for paramedic licensure.**

(2) Complete and submit the appropriate state application forms as specified in **Ssection 100163**~~2(a)(1) or (a)(3), and (a)(4)~~ **(a)(2)** .

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(3) Provide documentation of successful completion of the paramedic licensure written  
and **skills practical** examinations specified in sections **100140, 100141, and 100164**

(4) Pay the established fees pursuant to **s Section 100177 100171**.

(b) An individual who possesses a current paramedic **certificate registration** issued  
by the National Registry of Emergency Medical Technicians, shall be eligible for  
licensure when that individual fulfills the requirements of subsection (a)(2) and (4) of this  
section and successfully completes a field internship as defined in sections **100152 and**  
**100158(b)**.

(c) A **certified** physician, registered nurse or **licensed** physician assistant **currently**  
**licensed** shall be eligible for paramedic licensure upon:

(1) providing documentation that their training is equivalent to the **U. S. Department of**  
**Transportation Emergency Medical Technician-Paramedic National Standard**  
**Curriculum specified in Section 100159 of instruction in topics and skills**  
**equivalent to those listed in section 100160-59**;

(2) successfully completing a field internship as defined in **s Sections 100152 (a) and**  
**100159 8(b)**; and,

(3) fulfilling the requirements of subsection (a)(2) through (a)(4) of this section.

(d) All documentation submitted in a language other than English shall be accompanied  
by a translation into English certified by a translator who is in the

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 business of providing certified translations and who shall attest to the accuracy of such  
2 translation under penalty of perjury.

3 (e) The Authority shall issue within forty-five ~~(45)~~ calendar days of receipt of a complete  
4 application as specified in ~~s~~ S Section 100163~~2~~(e) a wallet-sized license to eligible  
5 individuals who apply for a license and successfully complete the licensure  
6 requirements.

7 (f) The effective date of the initial license shall be the day the license is issued. The  
8 license shall be valid for two ~~(2)~~ years from the last day of the month in which it was  
9 issued.

10 ~~(g) An applicant may request a temporary license, valid for up to sixty days,~~  
11 ~~when the state and/or federal summary of criminal history is not received by the~~  
12 ~~EMS Authority from the California Department of Justice within 90 days of~~  
13 ~~submission of an applicant's fingerprint card, FD-258 dated 5/11/99, or A Request~~  
14 ~~for Live Scan Service, BC II 8016 (Rev 04/01), provided all other licensure~~  
15 ~~requirements have been met by the applicant. If the EMS Authority approves the~~  
16 ~~request for a temporary license, the effective date of the temporary license shall~~  
17 ~~be the day the license is issued, and the expiration date of the temporary license~~  
18 ~~shall be no more than 60 days from the effective date of the license. Issuance of~~  
19 ~~a temporary license to an applicant does not provide the applicant with a vested~~  
20 ~~right in a paramedic license if cause for denial of an initial license is determined~~

~~from an investigation conducted by the EMS Authority or from the results of a  
state or federal summary of criminal history. The EMS Authority may issue up to  
two subsequent temporary licenses to an applicant while waiting for the state  
and/or federal summary of criminal history. Should a paramedic license be  
issued subsequent to the issuance of a temporary license, the expiration date  
shall be two years from the last day of the month in which the temporary license  
was issued. The EMS Authority may rescind a temporary license at any time for  
good cause.~~

**(g) (h)** The paramedic shall be responsible for notifying the EMS Authority of her/his  
proper and current mailing address and shall notify the EMS Authority in writing within  
thirty ~~(30)~~ calendar days of any and all changes of the mailing address, giving both the  
old and the new address, and paramedic license number.

**(h) (i)** A paramedic may request a duplicate license if the individual submits an  
**Application for Duplicate License** ~~a request in writing, as specified in section~~  
~~100163 (a) (5)~~ certifying to the loss or destruction of the original license, or the  
individual has changed his/her name. **If the request for a duplicate card is due to a  
name change, the request should shall also include documentation of the name  
change.** The duplicate license shall bear the same number and date of expiration as  
the replaced license.

**(i) (j)** An individual currently licensed as a paramedic by the provision of this section is

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 deemed to be certified as an EMT-I and an EMT-II, except when the paramedic  
2 license is under suspension, with no further testing required. If certificates are  
3 issued, the expiration date of the EMT-I or EMT-II certification shall be the same  
4 expiration date as the paramedic license, unless the individual follows the  
5 EMT-I, or EMT-II certification/recertification process as specified in Chapters 2 and 3 of  
6 this Division.

7 ~~(k)~~ **(i) An individual currently licensed as a paramedic by the provisions of this**  
8 **section may voluntarily deactivate his/her paramedic license if the individual is**  
9 **not under investigation or disciplinary action by the EMS Authority for violations**  
10 **of Health and Safety Code Section 1798.200. If a paramedic license is voluntarily**  
11 **deactivated, the individual shall not engage in any practice for which a paramedic**  
12 **license is required, shall return his/her paramedic license to the EMS Authority,**  
13 **and shall notify any local EMS agency with which he/she is accredited as a**  
14 **paramedic or with which he/she is certified as an EMT-I or EMT-II that the**  
15 **paramedic license is no longer valid. Reactivation of the paramedic license shall**  
16 **be done in accordance with the provisions of Section 100166(b) of this Chapter.**

17 ~~(l) Within 15 days of being arrested, cited, or criminally charged for any~~  
18 ~~misdemeanor or felony, a paramedic shall submit to the EMS Authority an~~  
19 ~~account of the circumstances thereof and any relevant offense report(s).~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

NOTE: Authority cited: Sections 1797.107, 1797.172, 1797.175, 1797.185, ~~and~~  
1797.194, 1798.200, and 1798.202, Health and Safety Code. Reference: Sections  
1797.63, 1797.172, 1797.175, 1797.177, 1797.185, ~~and~~ 1797.194, and 1798.200,  
Health and Safety Code and section 15376, Government Code.

**100166 5. Accreditation to Practice.**

(a) In order to be accredited an individual shall:

(1) Possess a current California paramedic license.

(2) Apply to the local EMS agency for accreditation.

(3) Successfully complete an orientation of the local EMS system as prescribed by the  
local EMS agency which shall include policies and procedures, treatment protocols,  
radio communications, hospital/facility destination policies, and other unique system  
features. The orientation shall not exceed eight ~~(8)~~ classroom hours, except when  
additional hours are needed to accomplish subsection (a)(4) of this section, and

shall not include any further testing of the paramedic basic scope of practice. Testing  
shall be limited to local policies and treatment protocols provided in the orientation.

(4) Successfully complete training in any local optional scope of practice for which the  
paramedic has not been trained and tested.

(5) Pay the established local fee pursuant to ~~s~~ Section 100177 2.

(b) If the local EMS agency requires a supervised field evaluation as part of the local

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 accreditation process, the field evaluation shall consist of no more than ten ~~(10)~~ ALS

2 patient contacts. The field evaluation shall only be used to determine if the paramedic

3 is knowledgeable to begin functioning under the local policies and procedures.

4 (1) The paramedic accreditation applicant may practice in the basic scope of practice

5 as a second paramedic until s/he is accredited.

6 (2) The paramedic accreditation applicant may only perform the local optional scope of

7 practice while in the presence of the field evaluator who is ultimately responsible for

8 patient care.

9 (c) The local EMS agency medical director shall evaluate any candidate who fails to

10 successfully complete the field evaluation and may recommend further evaluation or

11 training as required to ensure the paramedic is competent. If, after several failed

12 remediation attempts, the medical director has reason to believe that the paramedic's

13 competency to practice is questionable, then the medical director shall notify the EMS

14 Authority.

15 (d) If the paramedic accreditation applicant does not complete accreditation

16 requirements within thirty ~~(30)~~ calendar days, then the applicant may be required to

17 complete a new application and pay a new fee to begin another thirty ~~(30)~~ day period.

18 (e) A local EMS agency may limit the number of times that a paramedic applies for

19 initial accreditation to no more than three ~~(3)~~ times per year.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(f) The local EMS agency shall notify the individual applying for accreditation of the decision whether or not to grant accreditation within thirty **(30)** calendar days of submission of a complete application.

(g) Accreditation to practice shall be continuous as long as licensure is maintained and the paramedic continues to meet local requirements for updates in local policy, procedure, protocol and local optional scope of practice, and continues to meet requirements of the system-wide **CEQIP program** pursuant to **s Section 100172 100167**.

(h) An application and fee may only be required once for ongoing accreditation. An application and fee can only be required to renew accreditation when an accreditation has lapsed.

(i) The medical director of the local EMS agency may suspend or revoke accreditation if the paramedic does not maintain current licensure or meet local accreditation requirements and the following requirements are met:

(1) The paramedic has been granted due process in accordance with local policies and procedures.

(2) The local policies and procedures provide a process for appeal or reconsideration.

(j) The local EMS agency shall submit to the EMS Authority the names and dates of accreditation for those individuals it accredits within twenty **(20)** working days of accreditation.

(k) During an interfacility transfer, a paramedic may utilize the scope of practice for which s/he is trained and accredited.

(l) During a mutual aid response into another jurisdiction, a paramedic may utilize the scope of practice for which s/he is trained and accredited according to the policies and procedures established by his/her accrediting local EMS agency.

NOTE: Authority cited: Sections 1797.7, 1797.107, 1797.172, 1797.185 and 1797.192, Health and Safety Code. Reference: Sections 1797.7, 1797.172, 1797.185 and 1797.214, Health and Safety Code.

#### **Article 6. Continuing Education**

##### **~~100166. Continuing Education.~~**

~~(a) In order to maintain a valid license, a paramedic shall obtain at least forty-eight (48) hours of continuing education (CE) every two (2) years from an approved CE provider. (b) Only courses, classes, or experiences that are directly or indirectly related to patient care and are structured with learning objectives and an evaluation component are allowed for credit toward license renewal. This may include, but may not be limited to:~~

~~(1) Periodic training sessions or structured clinical experience in knowledge and skills to include advanced airway management and cardiac resuscitation;~~

~~(2) Organized field care audits of patient care records;~~

~~(3) Courses in physical, social or behavioral sciences (e.g. anatomy,~~

Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~(d) In the case of a lapsed license, only CE completed within the last twenty-four  
(24) months prior to application for lapsed license renewal shall be allowed for  
credit toward license renewal.~~

~~NOTE: Authority cited: Sections 1797.107, 1797.175 and 1797.185, Health and  
Safety Code. Reference: Sections 1797.7, 1797.172, 1797.175, 1797.185, and  
1797.214, Health and Safety Code.~~

~~100169. Approval/Disapproval of Continuing Education (CE) Providers for  
Prehospital Personnel.~~

~~(a) The local EMS agency shall be the agency for approving paramedic CE  
providers whose headquarters are within the geographical jurisdiction of that  
local EMS agency and may also serve as a CE provider.~~

~~(b) The EMS Authority shall be the approving agency for CE providers whose  
headquarters are out-of-state and for statewide public safety agencies. CE  
courses approved for EMS personnel by EMS offices of other states or by the  
Continuing Education Coordinating Board for Emergency Medical Services  
(CECBEMS) are deemed approved courses for meeting CE requirements without  
any further approval by the EMS Authority or local EMS agencies.~~

~~(c) In order to be an approved CE provider, an organization or individual shall  
submit an application packet for approval to the appropriate approving agency,  
along with the fees specified by that agency. The fee for the EMS Authority is~~

Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~specified in section 100177(b)(8). The application packet shall include, but may  
not be limited to,~~

~~(1) Name and address of the applicant;~~

~~(2) Name of the program director, program clinical director, and contact person,  
if other than the program director or clinical director;~~

~~(3) The type of entity or organization requesting approval; and,~~

~~(4) The resumes of the program director and the clinical director.~~

~~(d) The CE approving agency shall, within fourteen (14) working days of  
receiving a request for approval, notify the CE provider that the request has been  
received, and shall specify what information, if any, is missing.~~

~~(e) The CE approving agency shall approve or disapprove the CE request within  
sixty (60) calendar days of receipt of the completed request.~~

~~(f) The CE approving agency shall issue a paramedic CE provider number  
according to the standardized sequence developed by the EMS Authority.~~

~~(g) The CE approving agency may approve CE providers for up to four (4) years,  
and may monitor the compliance of CE providers to the standards established by  
the CE approving agency.~~

~~(h) The CE approving agency may, for cause, disapprove an application for  
approval, revoke the approval, or, place the CE provider on probation, if the  
approving agency determines:~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~(1) that the applicant/CE provider violated or attempted to violate the provisions  
of this Article; or~~

~~(2) that the applicant/CE provider failed to correct identified deficiencies,  
specified by the approving agency, within a reasonable length of time after  
receiving written warning notice.~~

~~(i) The approving agency may take action specified above in (h) when a written  
notice, specifying the reason for disapproval, revocation or probation has been  
sent to the applicant/CE provider.~~

~~(1) If a CE provider is placed on probation, a corrective action plan shall be  
developed by the approving agency and shall be agreed to by the CE provider.~~

~~(2) If CE provider status is revoked, approval for CE credit shall be withdrawn for  
all CE programs scheduled after the date of action.~~

~~(j) The CE approving agency shall notify the EMS Authority of each CE provider  
approved, disapproved or revoked within its jurisdiction within thirty (30)  
calendar days of action.~~

~~(k) The EMS Authority shall maintain a list of all approved, disapproved, or  
revoked CE providers and shall make the listing available to local EMS agencies  
on a quarterly basis.~~

~~NOTE: Authority cited: Sections 1797.107, 1797.175 and 1797.185, Health and  
Safety Code. Reference: Sections 1797.7, 1797.172, 1797.175, 1797.185, and~~

~~100170. Continuing Education (CE) Providers for Prehospital Personnel.~~

~~In order to be approved as a provider of continuing education, the provisions in  
this section shall be met.~~

~~(a) The applicant shall submit an application packet as specified in section  
100169(c) and any required fees to the approving agency at least sixty (60)  
calendar days prior to the date of the first educational activity.~~

~~(b) An approved CE provider shall ensure that:~~

~~(1) The content of all CE is relevant, designed to enhance the practice of  
prehospital emergency medical care, and related to the knowledge base or  
technical skills required for the practice of emergency medical care.~~

~~(2) Records shall be maintained for four (4) years and shall contain the following:~~

~~(A) Complete outlines for each course given, including a brief overview,  
instructional objectives, comprehensive topical outline, method of evaluation and  
a record of participant performance;~~

~~(B) Record of time, place, date each course is given and the number of CE hours  
granted;~~

~~(C) A curriculum vitae or resume for each instructor;~~

Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 ~~(D) A roster signed by course participants to include name and license number~~  
2 ~~of the paramedic taking any approved course and a record of any certificates~~  
3 ~~issued.~~

4 ~~(c) The CE approving agency shall be notified within thirty (30) calendar days of~~  
5 ~~any change in name, address, telephone number, program director, clinical~~  
6 ~~director or contact person, if the contact person is not the program director or~~  
7 ~~clinical coordinator.~~

8 ~~(d) All records shall be made available to the CE approving agency upon request.~~  
9 ~~A CE provider shall be subject to scheduled site visits by the approving agency.~~

10 ~~(e) Individual classes/courses shall be open for scheduled or unscheduled visits~~  
11 ~~by the CE approving agency and/or the local EMS agency in whose jurisdiction~~  
12 ~~the course is given.~~

13 ~~(f) Each CE provider shall provide for the functions of administrative direction,~~  
14 ~~medical quality coordination and actual program instruction through the~~  
15 ~~designation of a program director, a clinical director and instructors. Nothing in~~  
16 ~~this section precludes the same individual from being responsible for more than~~  
17 ~~one of these functions.~~

18 ~~(g) Each CE provider shall have an approved program director who is qualified~~  
19 ~~by education and experience in methods, materials and evaluation of instruction.~~  
20 ~~Program director qualifications shall be documented by one of the following:~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~(1) California State Fire Marshal (CSFM) "Fire Instructor 1A and 1B" or the  
National Fire Academy (NFA) "Fire Service Instructional Methodology" course or  
equivalent; or~~

~~(2) Sixty (60) hours in "Techniques of Teaching" courses or four (4) semester  
units of upper division credit in educational materials, methods and curriculum  
development or equivalent from a college or university.~~

~~(3) Individuals with equivalent experience may be provisionally approved for up  
to two years by the approving agency pending completion of the above specified  
requirements. Individuals with equivalent experience who teach in geographic  
areas where training resources are limited and who do not meet the above  
program director requirements may be approved upon review of experience and  
demonstration of capabilities.~~

~~(h) The duties of the program director shall include, but not be limited to:~~

~~(1) Administering the CE program and ensuring adherence to state regulations  
and established local policies.~~

~~(2) Approving course content including instructional objectives and assigning  
course hours to any CE program which the CE provider sponsors; approving all  
methods of evaluation, coordinating all clinical and field activities approved for  
CE credit; approving the instructor(s) and signing all course completion records  
and maintaining those records in a manner consistent with these guidelines. The~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~responsibility for signing course completion records may be delegated to the  
course instructor.~~

~~(i) Each CE provider shall have an approved clinical director who is currently  
licensed as a physician, registered nurse, physician assistant, or paramedic. In  
addition, the clinical director shall have had two years of academic,  
administrative or clinical experience in emergency medicine or prehospital care  
within the last five (5) years. The duties of the clinical director shall include, but  
not be limited to, monitoring all clinical and field activities approved for CE credit,  
approving the instructor(s), and monitoring the overall quality of the prehospital  
content of the program.~~

~~(j) Each CE provider instructor shall be approved by the program director and  
clinical director as qualified to teach the topics assigned, or have evidence of  
specialized training which may include, but is not limited to, a certificate of  
training or an advanced degree in a given subject area, or have at least one (1)  
year of experience within the last two (2) years in the specialized area in which  
they are teaching, or be knowledgeable, skillful and current in the subject matter  
of the course or activity.~~

~~(k) Continuing education credit shall be assigned on the following basis:~~

~~(1) One continuing education hour (CEH) is awarded for every fifty (50) minutes  
of approved content.~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~(2) Courses or activities less than one (1) CEH in duration will not be approved.~~

~~(3) For courses greater than one (1) CEH, credit may be granted in no less than  
half hour increments.~~

~~(4) Each hour of structured clinical experience shall be accepted as one (1) CEH.~~

~~(5) One academic quarter unit shall equal ten (10) CEHs.~~

~~(6) One academic semester unit shall equal fifteen (15) CEHs.~~

~~(l) Each CE provider shall maintain for four (4) years:~~

~~(1) Records on each course including, but not limited to, course title, course  
objectives, course outlines, qualification of instructors, dates of instruction,  
location, participant sign-in rosters, sample course tests or other methods of  
evaluation, and records of course completions issued.~~

~~(2) Summaries of test results, course evaluations or other methods of evaluation.~~

~~The type of evaluation used may vary according to the instructor, content of  
program, number of participants and method of presentation.~~

~~(m) Providers shall issue to the participant a tamper resistant document or  
certificate of proof of successful completion of a course within thirty (30)  
calendar days. The certificate or documentation of successful completion must  
contain the name of participant, license number, course title, CE provider name  
and address, date of course, and signature of program director or course~~

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

~~instructor. In addition, the following statements shall be printed on the certificate  
of completion with the appropriate information filled in:~~

~~"This course has been approved for (number) Hours of Continuing  
Education by an approved California EMS CE Provider ". "This  
documentation must be retained for a period of four (4) years"  
"California EMS CE Provider # \_\_\_\_\_"~~

~~(n) Information disseminated by CE providers publicizing CE must include at a  
minimum the following:~~

~~(1) provider's policy on refunds in cases of nonattendance by the registrant or  
cancellation by provider, if applicable;~~

~~(2) a clear, concise description of the course content, objectives and the  
intended target audience (e.g. paramedic, EMT-II, EMT-I, First Responder or all);~~

~~(3) provider name, as officially on file with the approving agency; and~~

~~(4) specification of the number of CE hours to be granted. Copies of all  
advertisements disseminated to the public shall be sent to the approving agency  
and the local EMS agency in whose jurisdiction the course is presented prior to  
the beginning of the course/class. However, the approving agency or the local  
EMS agency may request that copies of the advertisements not be sent to them.~~

#### **Article 7 6. License Renewal**

#### **~~100174~~ 100166. License Renewal**

(a) In order to be eligible for renewal of a non-lapsed paramedic license, an individual shall comply with the following requirements:

(1) Possess a current paramedic license issued in California.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(2) Complete ~~all~~ forty-eight hours of continuing education ~~requirements~~ pursuant to  
~~section 100167~~ the provisions of Chapter 11 of this Division.

(3) Complete and submit the state EMT-Paramedic ~~A~~application for ~~l~~license  
~~r~~Renewal, Form ~~#~~RL-01, ~~dated 4/99~~ Revised 03/03 and including the Paramedic  
Statement of Continuing Education, ~~Form CE-01, dated 4/99~~ located on the back of  
the license renewal application, which ~~are~~ is sent by the EMS Authority to the  
applicant for license renewal approximately ~~four~~ (4) ~~six~~ months prior to the expiration  
date of the license.

(4) Pay the appropriate fees as specified on the application in accordance with  
Section 100172 of this Chapter.

(b) In order for an individual whose license has lapsed to be eligible for license renewal,  
the following requirements shall apply:

(1) For a lapse of less than six ~~(6)~~ months, the individual shall comply with (a) (2), ~~and~~  
~~(3)~~ and (a)(4) of this section and complete and submit the state EMT-Paramedic  
Application specified in Section 100162(a)(4) ,including the Statement of  
Continuing Education located on the back of the lapsed license renewal  
application.

(2) For a lapse of six ~~(6)~~ months or more, but less than twelve ~~(12)~~ months, the  
individual shall comply with (a)(2), ~~and (3)~~ (a)(4) of this section, ~~and~~ complete an  
additional twelve ~~(12)~~ hours of CE, for a total of sixty ~~(60)~~ hours of CE, and complete

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 **and submit the state EMT-Paramedic Application specified in Section 100162(a)(4)**  
2 **,including the Statement of Continuing Education located on the back of the**  
3 **lapsed license renewal application.**

4 (3) For a lapse of twelve months or more, but less than twenty-four ~~(24)~~ months, the  
5 individual shall pass the licensure examination specified in Sections **100140, 100141,**  
6 **and ~~100165~~ 100163(a)(3) or possess a current paramedic registration issued by**  
7 **the National Registry of Emergency Medical Technicians,** comply with (a) (2) and  
8 ~~(3)~~ **(a)(4)** of this section, submit **to the California Department of Justice** an applicant  
9 fingerprint card, ~~BID-7~~ **FD-258** dated ~~5/90~~ **5/11/99** **or a Request for Live Scan Service**  
10 **Applicant Submission Form, BCII 8016 (Rev 04/01),** for a state summary criminal  
11 history provided by the Department of Justice in accordance with the provisions of  
12 Section 11105 et seq. of the Penal Code, ~~and~~ complete an additional twenty-four ~~(24)~~  
13 hours of CE, for a total of seventy-two ~~(72)~~ hours **of CE and complete and submit a**  
14 **state EMT-Paramedic Application specified in Section 100162(a)(4) ,including the**  
15 **Statement of Continuing Education located on the back of the lapsed license**  
16 **renewal application.**

17 (4) For a lapse of twenty-four ~~(24)~~ months or more, the individual shall comply with  
18 (a)(2) and ~~(3)~~ **(a)(4)** and (b)(3) of this section. ~~and submit an applicant fingerprint~~  
19 ~~card, BID-7 dated 5/90, for a state summary criminal history provided by the~~  
20 ~~Department of Justice in accordance with the provisions of Section 11105 et seq.~~

1797.220, Health and Safety Code.~~

~~100173~~ 100168 **7. Paramedic Service Provider.**

(a) A local EMS agency with an advanced life support system shall establish policies and procedures for the approval, designation, and evaluation through its **continuous quality improvement program** ~~EQIP~~, of all paramedic service provider(s).

(b) An approved paramedic service provider shall:

(1) Provide emergency medical service response on a continuous twenty-four ~~(24)~~ hours per day basis, unless otherwise specified by the local EMS agency, in which case there shall be adequate justification for the exemption (e.g., lifeguards, ski patrol personnel, etc.).

(2) Utilize and maintain telecommunications as specified by the local EMS agency.

(3) Maintain a drug and solution inventory as specified by the local EMS agency of equipment and supplies commensurate with the basic and local optional scope of practice of the paramedic.

(4) Have a written agreement with the local EMS agency to participate in the EMS system and to comply with all applicable State regulations and local policies and procedures, including participation in the local EMS agency's **continuous quality**

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 ~~improvement program~~ **EQIP** as specified in **Chapter 12 of this Division** **sSection**  
2 **100172 100167.**

3 (5) Be responsible for assessing the current knowledge of their paramedics in local  
4 policies, procedures and protocols and for assessing their paramedics' skills  
5 competency.

6 **(6) If, through the QIP program, the employer or medical director of the local EMS**  
7 **agency determines that a paramedic needs additional training, observation or**  
8 **testing, the employer and the medical director may create a specific and targeted**  
9 **program of remediation based upon the identified need of the paramedic. If there**  
10 **is disagreement between the employer and the medical director, the decision of**  
11 **the medical director**  
12 **shall prevail.**

13 (c) No paramedic service provider shall advertise itself as providing paramedic services  
14 unless it does, in fact, routinely provide these services on a continuous twenty-four **(24)**  
15 hours per day basis and meets the requirements of subsection (b) of this section.

16 (d) No responding unit shall advertise itself as providing paramedic services unless it  
17 does, in fact, provide these services and meets the requirements of subsection **(b) (a)**  
18 of this section.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(e) The local EMS agency may deny, suspend, or revoke the approval of a paramedic service provider for failure to comply with applicable policies, procedures, and regulations.

NOTE: Authority cited: Sections 1797.107, 1797.172, and 1798, Health and Safety Code. Reference: Sections 1797.172, 1797.178, 1797.180, 1797.204 and 1797.218, Health and Safety Code.

**~~100174~~ 1001698. Paramedic Base Hospital.**

(a) A local EMS agency with an advanced life support system shall designate a paramedic base hospital(s) or alternative base station, **pursuant to Health and Safety Code Section 1798.105 if no qualified base hospital is available to provide medical direction,** to provide medical direction and supervision of paramedic personnel.

(b) A designated paramedic base hospital shall **be responsible for the provisions of subsections (b)(1) through (b)(13) of this section, and alternate base stations shall be responsible for the provisions of subsections (b)(4) through (b)(13) of this section.**

(1) Be licensed by the State Department of Health Services as a general acute care hospital, or, for an out of state general acute care hospital, meet the relevant requirements for that license and the requirements of this section where applicable, as

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

determined by the local EMS agency which is utilizing the hospital in the local EMS system.

(2) Be accredited by the Joint Commission on Accreditation of Healthcare

Organizations **or the Healthcare Facilities Accreditation Program of the American Osteopathic Association.**

(3) Have a special permit for basic or comprehensive emergency medical service pursuant to the provisions of Division 5, or have been granted approval by the Authority for utilization as a base hospital pursuant to the provisions of Section 1798.101 of the Health and Safety Code.

(4) Have and agree to utilize and maintain two-way telecommunications equipment, as specified by the local EMS agency, capable of direct two-way voice communication with the paramedic field units assigned to the hospital.

(5) Have a written agreement with the local EMS agency indicating the concurrence of hospital administration, medical staff, and emergency department staff to meet the requirements for program participation as specified in this Chapter and by the local EMS agency's policies and procedures.

(6) Have a physician licensed in the State of California, experienced in emergency medical care, assigned to the emergency department, available at all times to provide immediate medical direction to the mobile intensive care nurse or paramedic personnel.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 This physician shall have experience in and knowledge of base hospital radio  
2 operations and local EMS agency policies, procedures, and protocols.

3 (7) Assure that nurses giving medical direction to paramedic personnel are trained and  
4 authorized as mobile intensive care nurses by the medical director of the local EMS  
5 agency.

6 (8) Designate a paramedic base hospital medical director who shall be a physician on  
7 the hospital staff, licensed in the State of California who is certified or prepared for  
8 certification by the American Board of Emergency Medicine. The requirement of board  
9 certification or prepared for certification may be waived by the medical director of the  
10 local EMS agency when the medical director determines that an individual with these  
11 qualifications is not available. This physician shall be regularly assigned to the  
12 emergency department, have experience in and knowledge of base hospital radio  
13 operations and local EMS agency policies and procedures, and shall be responsible for  
14 functions of the base hospital including ~~quality improvement~~ the EQIP as designated  
15 by the medical director of the local EMS agency.

16 (9) Identify a mobile intensive care nurse, if utilized by the local EMS system, with  
17 experience in and knowledge of base hospital radio operations and local EMS agency  
18 policies and procedures as a prehospital liaison to assist the base hospital medical  
19 director in the medical direction and supervision of the paramedics.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(10) Ensure that a mechanism exists for replacing medical supplies and equipment used by paramedics during treatment of patients, according to policies and procedures established by the local EMS agency.

(11) Ensure that a mechanism exists for the initial supply and replacement of narcotics and other controlled substances used by paramedics during treatment of patients according to the policies and procedures of the local EMS agency.

(12) Provide for continuing education in accordance with the policies and procedures of the local EMS agency.

(13) Agree to participate in the local EMS agency's ~~continuous quality improvement program~~ **EQIP** which may include making available all relevant records for program monitoring and evaluation.

~~(c) If no qualified base hospital is available to provide medical direction, the medical director of the local EMS agency may approve an alternative base station pursuant to Health and Safety Code Section 1798.105.~~

~~(d)~~ **(c)** The local EMS agency may deny, suspend, or revoke the approval of a base hospital or alternative base station for failure to comply with any applicable policies, procedures, and regulations.

NOTE: Authority cited: Sections 1797.107 and 1797.172, Health and Safety Code.

Reference: Sections 1797.56, 1797.58, 1797.59, 1797.172, 1797.178, 1798, 1798.2, 1798.100, 1798.101, 1798.102 and 1798.104, Health and Safety Code.

**~~100175~~ 100170 69 Medical Control.**

The medical director of the local EMS agency shall establish and maintain medical control in the following manner:

(a) Prospectively, by assuring the development of written medical policies and procedures, to include at a minimum:

(1) Treatment protocols that encompass the paramedic scope of practice.

(2) Local medical control policies and procedures as they pertain to the paramedic base hospitals, alternative base stations, paramedic service providers, paramedic personnel, patient destination, and the local EMS agency.

(3) Criteria for initiating specified emergency treatments on standing orders or for use in the event of communication failure that are consistent with this Chapter.

(4) Criteria for initiating specified emergency treatments, prior to voice contact, that are consistent with this Chapter.

(5) Requirements to be followed when it is determined that the patient will not require transport to the hospital by ambulance or when the patient refuses transport.

(6) Requirements for the initiation, completion, review, evaluation, and retention of a patient care record as specified in this Chapter. These requirements shall address but not be limited to:

(A) Initiation of a record for every patient response.

(B) Responsibilities for record completion.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(C) Record distribution to include local EMS agency, receiving hospital, paramedic base hospital, alternative base station, and paramedic service provider.

(D) Responsibilities for record review and evaluation.

(E) Responsibilities for record retention.

(b) Establish policies which provide for direct voice communication between a paramedic and a base hospital physician or mobile intensive care nurse, as needed.

(c) Retrospectively, by providing for organized evaluation and continuing education for paramedic personnel. This shall include, but not be limited to:

(1) Review by a base hospital physician or mobile intensive care nurse of the appropriateness and adequacy of paramedic procedures initiated and decisions regarding transport.

(2) Maintenance of records of communications between the service provider(s) and the base hospital through tape recordings and through emergency department communication logs sufficient to allow for medical control and continuing education of the paramedic.

(3) Organized field care audit(s).

(4) Organized opportunities for continuing education including maintenance and proficiency of skills as specified in this Chapter.

(d) In circumstances where use of a base hospital as defined in Section 100174

**1001698** is precluded, alternative arrangements for complying with the requirements of

1 this Section may be instituted by the medical director of the local EMS agency if  
2 approved by the EMS Authority.

3 NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.176, Health and Safety  
4 Code. Reference: Sections 1797.90, 1797.172, 1797.202, 1797.220, 1798, 1798.2,  
5 1798.3 and 1798.105, Health and Safety Code.

6 **Article 9 8. Record Keeping and Fees.**

7 **~~100176~~ 100170. Record Keeping.**

8 (a) Each paramedic approving authority shall maintain a record of approved training  
9 programs within its jurisdiction and annually provide the State EMS Authority with the  
10 name, address, and course director of each approved program. The State EMS  
11 Authority shall be notified of any changes in the list of approved training programs.

12 (b) Each paramedic approving authority shall maintain a list of current paramedic  
13 program medical directors, course directors, and principal instructors within its  
14 jurisdiction.

15 (c) The State EMS Authority shall maintain a record of approved training programs.

16 (d) Each local EMS agency shall, at a minimum, maintain a list of all paramedics  
17 accredited by them in the preceding five ~~(5)~~ years.

18 (e) The paramedic is responsible for accurately completing the patient care record  
19 referenced in ~~subsection~~ **Section 100175 100169** (a)(6) which shall contain, but not be  
20 limited to, the following information when such information is available to the paramedic:

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

- 1 (1) The date and estimated time of incident.
- 2 (2) The time of receipt of the call (available through dispatch records).
- 3 (3) The time of dispatch to the scene.
- 4 (4) The time of arrival at the scene.
- 5 (5) The location of the incident.
- 6 (6) The patient's:
  - 7 (A) Name;
  - 8 (B) Age;
  - 9 (C) Gender;
  - 10 (D) Weight, if necessary for treatment;
  - 11 (E) Address;
  - 12 (F) Chief complaint; and
  - 13 (G) Vital signs.
- 14 (7) Appropriate physical assessment.
- 15 (8) The emergency care rendered and the patient's response to such treatment.
- 16 (9) Patient disposition.
- 17 (10) The time of departure from scene.
- 18 (11) The time of arrival at receiving ~~hospital~~ facility (if transported).
- 19 (12) The name of receiving facility (if transported).
- 20 (13) The name(s) and unique identifier number(s) of the paramedics.

(14) Signature(s) of the paramedic(s).

(f) A local EMS agency utilizing computer or other electronic means of collecting and storing the information specified in subsection (e) of this section shall in consultation with EMS providers establish policies for the collection, utilization and storage of such data.

NOTE: Authority cited: Sections 1797.107, 1797.172 and 1797.185, Health and Safety Code. Reference: Sections 1797.172, 1797.173, 1797.185, 1797.200, 1797.204 and 1797.208, Health and Safety Code.

**~~100177~~ 100171. Fees.**

(a) A local EMS agency may establish a schedule of fees for paramedic training program review and approval, CE provider approval and paramedic accreditation in an amount sufficient to cover the reasonable cost of complying with the provisions of this Chapter.

(b) The following are the licensing fees established by the EMS Authority:

(1) The fee for initial application for paramedic licensure for individuals who have completed training in California through an approved paramedic training program shall be \$50.00.

(2) The fee for initial application for paramedic licensure for individuals who have completed out-of-state paramedic training, as specified in Section 100165 4(b), or for individuals specified in Section 100165 4(c), shall be \$100.00.

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

(3) The fee for application for license or license renewal as a paramedic shall be \$125.00.

(4) The fee for failing to submit an application for renewal within the timeframe specified in Section ~~100163~~ **100162** (b), or for an individual whose license has lapsed, as specified in Section ~~100171~~ **100166** (b)(1), (2), (3) and (4) shall be \$50.00.

~~(6)~~ **(5)** The fee for state summary criminal history shall be in accordance with the schedule of fees established by the California Department of Justice.

~~(7)~~ **(6)** The fee for replacement of a license shall be \$10.00.

~~(8)~~ **(7)** The fee for approval of an out-of-state CE provider shall be \$200.00.

~~(9)~~ **(8)** The fee for administration of the provisions of Section 11350.6 of the Welfare and Institutions Code shall be \$5.00.

NOTE: Authority cited: Sections 1797.107, 1797.112, 1797.172, 1797.185, and 1797.212, Health and Safety Code. Reference: Sections 1797.172, 1797.185, and 1797.212, Health and Safety Code; and Section 11105, Penal Code.

#### **Article 10 9. Discipline and Reinstatement of License**

##### **~~100178~~ 1001732. Proceedings.**

(a) Any proceedings by the EMS Authority to deny, suspend or revoke the license of a paramedic or place any paramedic license holder on probation pursuant to Section 1798.200 of the Health and Safety Code shall be conducted in accordance with this

1 article and pursuant to the provisions of the Administrative Procedure Act, Government  
2 Code, Section 11500 et seq.

3 (b) Before any disciplinary proceedings are undertaken, the EMS Authority shall  
4 evaluate all information submitted to or discovered by the EMS Authority including, but  
5 not limited to, a recommendation for suspension or revocation from a medical director of  
6 a local EMS agency, for evidence of a threat to public health and safety pursuant to  
7 Section 1798.200 of the Health and Safety Code.

8 (c) The authority shall use the "EMS Authority Recommended Guidelines for  
9 Disciplinary Orders and Conditions of Probation", dated July 10, 2002, and incorporated  
10 by reference herein, as the standard in setting disciplinary matters when a paramedic  
11 applicant or license holder is found to be in violation of Section 1798.200 of Division 2.5  
12 of the Health and Safety Code.

13 (d) The administrative law judge shall use the "EMS Authority Recommended  
14 Guidelines for Disciplinary Orders and Conditions of Probation", dated July 10, 2002,  
15 and incorporated by reference herein, as a guide in making any recommendations to  
16 the Authority for discipline of a paramedic applicant or license holder found in violation  
17 of Section 1798.200 of Division 2.5 of the Health and Safety Code.

18 NOTE: Authority cited: Sections 1797.107, 1797.176, 1798.200 and 1798.204, Health  
19 and Safety Code. Reference: Sections 1797.172, 1797.174, 1797.176, 1797.185,  
20 1798.200, and 1798.204, Health and Safety Code and Section 11415.60, Administrative

1 Procedure Act.

2  
3 ~~100178~~ 1001743. Denial/Revocation Standards.

4 (a) The authority shall deny/revoke a paramedic license if any of the following apply to  
5 the applicant:

6 (1) Has committed any sexually related offense specified under Section 290 of the  
7 Penal Code.

8 (2) Has been convicted of murder, attempted murder, or murder for hire.

9 (3) Has been convicted of two or more felonies.

10 (4) Is on parole or probation for any felony.

11 (b) The authority shall deny/revoke a paramedic license, if any of the following apply to  
12 the applicant:

13 (1) Has been convicted and released from incarceration for said offense during the  
14 preceding fifteen years for the crime of manslaughter or involuntary manslaughter.

15 (2) Has been convicted and released from incarceration for said offense during the  
16 preceding ten years for any offense punishable as a felony.

17 (3) Has been convicted of two misdemeanors within the preceding five years for any  
18 offense relating to the use, sale, possession, or transportation of narcotics or addictive  
19 or dangerous drugs.

20 (4) Has been convicted of two misdemeanors within the preceding five years for any  
21 offense relating to force, violence, threat, or intimidation.

(5) Has been convicted within the preceding five years of any theft related  
misdemeanor.

(c) The authority may deny/revoke a paramedic license if any of the following apply to  
the applicant:

(1) Has committed any act involving fraud or intentional dishonesty for personal gain  
within the preceding seven years.

(2) Is required to register pursuant to Section 11590 of the Health & Safety Code.

(d) Subsections (a) and (b) shall not apply to convictions that have been pardoned by  
the governor, and shall only apply to convictions where the applicant/licensee was  
prosecuted as an adult. Equivalent convictions from other states shall apply to the type  
of offenses listed in (a) and (b). As used in this section, "felony" or "offense punishable  
as a felony" refers to an offense for which the law prescribes imprisonment in the state  
prison as either an alternative or the sole penalty, regardless of the sentence the  
particular defendant received.

(e) This section shall not apply to those paramedics who obtained their California  
Paramedic License prior to the effective date of this Section; unless:

(1) The licensee is convicted of any misdemeanor or felony subsequent to the effective  
date of this Section.

(2) The licensee committed any sexually related offense specified under Section 290 of  
the Penal Code.

(3) The licensee failed to disclose to the EMS ~~a~~Authority any prior convictions when completing his/her application for initial paramedic license or license renewal.

(f) Nothing in this section shall prevent the authority from taking licensure action pursuant to Health & Safety Code Section 1798.200.

(g) The director may grant a license to anyone otherwise precluded under subsections (a) and (b) of this section if the director believes that extraordinary circumstances exist to warrant such an exemption.

(h) Nothing in this section shall negate an individual's right to appeal the denial of a license or petition for reinstatement of a license pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

NOTE: Authority cited: Sections 1797.107, 1797.176, 1798.200 and 1798.204, Health and Safety Code. Reference: Sections 1797.172, 1797.174, 1797.176, 1797.185, 1798.200 and 1798.204, Health and Safety Code.

**~~100179~~ 1001754. Substantial Relationship Criteria for the Denial, Placement on Probation, Suspension, or Revocation of a License.**

(a) For the purposes of denial, placement on probation, suspension, or revocation, of a license, pursuant to Section 1798.200 of the Health and Safety Code, a crime or act shall be substantially related to the qualifications, functions and/or duties of a person holding a paramedic license under Division 2.5 of the Health and Safety Code. A crime or act shall be considered to be substantially related to the qualifications, functions, or

1 duties of a paramedic if to a substantial degree it evidences present or potential  
2 unfitness of a paramedic to perform the functions authorized by her/his license in a  
3 manner consistent with the public health and safety.

4 (b) For the purposes of a crime, the record of conviction or a certified copy of the  
5 record shall be conclusive evidence of such conviction. "Conviction" means the final  
6 judgement on a verdict or finding of guilty, a plea of guilty, or a plea of nolo contendere.

7 NOTE: Authority cited: Sections 1797.107, 1797.176, 1798.200 and 1798.204, Health  
8 and Safety Code. Reference: Sections 1797.172, 1797.174, 1797.176, 1797.185,  
9 1798.200 and 1798.204, Health and Safety Code.

10 ~~100180~~ **1001765. Rehabilitation Criteria for Denial, Placement on Probation,**  
11 **Suspension, Revocations, and Reinstatement of License.**

12 (a) At the discretion of the EMS Authority, the EMS Authority may issue a license  
13 subject to specific provisional terms, conditions, and review. When considering the  
14 denial, placement on probation, suspension, or revocation of a license pursuant to  
15 Section 1798.200 of the Health and Safety Code, or a petition for reinstatement or  
16 reduction of penalty under Section 11522 of the Government Code, the EMS Authority  
17 in evaluating the rehabilitation of the applicant and present eligibility for a license, shall  
18 consider the following criteria:

19 (1) The nature and severity of the act(s) or crime(s).

Public Comment Period 1-12-04 through 2-10-04  
Comments are limited to only the shaded portions of the  
regulations and are due by 5 p.m. on 2-10-04

1 (2) Evidence of any act(s) committed subsequent to the act(s) or crime(s) under  
2 consideration as grounds for denial, placement on probation, suspension, or revocation  
3 which also could be considered grounds for denial, placement on probation,  
4 suspension, or revocation under Section 1798.200 of the Health and Safety Code.

5 (3) The time that has elapsed since commission of the act(s) or crime(s) referred to in  
6 subsection (1) or (2) of this section.

7 (4) The extent to which the person has complied with any terms of parole, probation,  
8 restitution, or any other sanctions lawfully imposed against the person.

9 (5) If applicable, evidence of expungement proceedings pursuant to Section 1203.4 of  
10 the Penal Code.

11 (6) Evidence, if any, of rehabilitation submitted by the person.

12 NOTE: Authority cited: Sections 1797.107, 1797.176, 1798.200 and 1798.204, Health  
13 and Safety Code. Reference: Sections 1797.172, 1797.174, 1797.176, 1797.185,  
14 1798.200 and 1798.204, Health and Safety Code.
